Notes for Winter Buying

THE birds and the squirrels should not be any more prepared for winter than human folks. They go by instinct and by weather. We have all that and the calendar beside, to say nothing of reason, experience and human knowledge. What does the calendar say today? It says as plainly as a calendar can speak "get your house in order for the time of snows; get your winter clothes ready; get your children ready; winter is here; another cold snap; might as well get ready now for winter; nothing to be gained by waiting."

We have the reputation of selling the best goods at prices that mean big business. The weather says furs, neckwear, heavier clothing, warmer goods, and we're ready with extra staff for quick service. The assortment we hold subject to your approval is one of the largest and finest in the city.

Come investigating anyway.

People always look to this store for best values. It's natural. A grand record. We're ready in advance with whatever you need in the Clothing Line or any other line.

Nominations Next Monday

Nominations to fill the vacancies on the council board, the Alexander school board and the Sacred Heart separate school board will be held on Monday, December 3rd, between the hours of 10 and 12 a.m.

It appears as though there will be a keen contest for the mayor's chair, as Mr. Duncan MacEachern and Mr. E. E. Chandler have both declared themselves as candidates.

There are four vacancies on the council board to be filled, as the terms of Ald. Chandler, Montgomery, Gould and Bayle will have expired. We understand that Ald. Montgomery is in the field for re-election, and that Messrs R. M. Angus, L. D. Hanna, F. E. Kelley, L. H. Hays, Henry Nelson, and others are considering the advisability of aspiring for aldermanic honors.

Three vacancies on the Alexander school board are created by the retirement of Messrs J. F. Fogles, F. E. Kelly and C. L. Anderson. We understand that all the gentlemen will stand for re-election, except Mr. Kelley, who may be a candidate for alderman. The members on the board who remain for another term are Dr. Walker and Mr. W. L. Sharpe.

On the Sacred Heart separate school board are also three vacancies, namely, Messrs Genz, Theroux and the same. The members who remain are Messrs Myrland and A. Gross.

The Merry Milkmaids

On Friday evening, December 11th, 1936, the Wetaskiwin Musical Society will stage a grand spectacular entertainment at the Grand Theatre in two acts entitled "The Merry Milkmaids." The music and libretto is by Clara H. Caldwell of San Francisco. From all we hear the production will be a real effort of our local operators and the play stars the most famous actors and actresses of the individuality of the show, which is a splendid one, so much so, in fact, that we confidently predict that for weeks afterwards everyone will be humming or whistling some part or other of the Merry Milkmaids.

The costumes, which are many and varied, will be, in the words of the general stage manager, Mr. J. W. Hey, "simply gorgeous." Unanimous drills and dances have been arranged in which the Merry Milkmaids, Farmers, Bards and Soldiers have every opportunity to show to advantage. To some of the members Mr. Hey has written extra verses dealing with local subjects which will undoubtedly bring down the house—notably the extra verse of the "Two Jolly Farmers" (Messrs. Matthews and Smeaton); "Once a Little Maiden" (Miss Dudgeon) and the chorus and the conclusion's song, "A Royal Farewell." Special efforts are being taken with the scenery, under the able supervision of Mr. A. H. Barnard and corps of trained assistants.

Special electric lighting effects will be installed by the Central Alberta Electric Company.

The cast is a particularly strong one and is with one exception, entirely made up of local talent. Too much cannot be said of the untiring efforts of the talented director, Miss Lucy Knight, and we are informed that the stage manager is very well pleased with each and every member of the Society for their prompt attendance at rehearsals and faithful work in the face of many difficulties, of which the recent heavy fall of snow was the least.

Mr. McManis will preside at the piano, and it is due to his unswerving patience at rehearsals that the performance has reached its present state of perfection.

From all we can learn we can confidently recommend everyone to take in the show on Dec. 11th.

Agricultural Society Meeting

The annual meeting of the members of the Agricultural Society will be held in the city hall, Wetaskiwin, on Saturday, December 8th, at 2.30 p.m. All members and others interested are urged to be present.

R. E. CHANDLER,
Secretary.

An Excellent Concert
 The entertainment given by the Polonaise Sisters in Angus Opera House on Wednesday evening under the auspices of Wetaskiwin Lodge, Independent Order of Odd Fellows, was an unequalled success from every point. The commodious hall was filled with an appreciative audience, and every one who was present is loud in his praise of the concert. The Polonaise Sisters is undoubtedly the best musical organization that ever entertained a Wetaskiwin audience. In fact each member of the company is an artist, and it is impossible to say which was the best, as they were all the best.

The Times Enlarged
 This week we have been compelled to enlarge The Times to a 12 page paper in order to accommodate the large number of patrons who wished to make special announcements regarding their Xmas wares. And even with this enlarged edition we must apologize to our numerous readers for the limited amount of reading matter appearing herein. We promise, however, that in a few weeks we will be enabled to give the public several columns more reading matter than we have done for several months past. In the meantime we would suggest that the advertisements be carefully perused, as customers may save many dollars by taking advantage of the bargains announced in these pages.

It is with a feeling of pride that we refer to this enlarged edition, as The Times is, this week, the largest all home paper ever published in Alberta outside the cities of Calgary and Edmonton.

The Queens Hotel changed hands last week when Thos. Lake purchased the business from Jex & Atkinson. The deal was made through H. D. Farris. Mr. Lake intends making the Queens one of the foremost hotels in the city, and the public will find him a courteous and obliging host.

Ol. Lund of Sedgewick was in the city this week shaking hands with his many friends. The train will be running to Sedgewick in a few days, and Mr. Lund has arranged to leave a special car attached. The Wetaskiwin Brass Band has also been engaged to go out on this auspicious event in the history of that promising town. Watch for the date of the first train to Sedgewick.

It is worth your while to hunt up S. A. Soanes' ad. this week. Keep it in mind.

J. A. O'Neil Hayes is in the city this week shaking hands with his many friends.

Mrs. A. Garbe and family of Stratford, who have been visiting at the home of Mr. and Mrs. L. B. Hanna, returned home on Monday.

G. B. Hansell of the Merchants Bank staff returned last week from the coast where he spent a very pleasant month.

A dance was given in Angus Opera House last Friday evening by the Wetaskiwin Assembly Club when a very enjoyable time was spent.

There will be something of special interest to little ones in Stephenson's ad. next week. Watch for it.

T. C. Bailem, of Thorold, Ont., arrived in town on Monday to accept a situation as tinsmith with Geo. D. Wallace.

Owing to the illness of His Honor Judge Scott, court at Wetaskiwin has been postponed until Tuesday, December 11th, when Judge Sifton will preside.

The Bank of Commerce has opened a branch at Bawlf, with Mr. A. E. Band as manager. This branch was opened last week by Mr. H. I. Millar of the Wetaskiwin branch.

Mrs. J. F. Richards and family returned last week from Stettler, where they spent a few weeks with relatives.

Inspector Thibaudeau's in the city this week. He has just finished his inspectional work for this year, having visited each of the 123 schools in his district since April 20th. During the present year 13 new schools have been erected in his inspectorate. Mr. Thibaudeau leaves on Saturday for his old home in Markdale, Ontario, where Mrs. Thibaudeau has been visiting for the last six months. They will return after the holidays.

Miss H. Nordlund has accepted a position in Talbot's photograph studio. This will be pleasing to the ladies, as hereafter a lady may be found in the reception room.

Tuesday's southbound passenger train met with an accident near Ponoka when several cars left the rails. In consequence the trains from the south have been delayed several hours.

Living High

One day recently Mr. D. McPhail struck out for a hunt and returned in a couple of days with a fine large deer which has been thoroughly enjoyed by the diners at his sumptuous table. Mr. McPhail is an old hunter, having killed many a fine deer in old Ontario, and ever since the duck season opened he has kept the table supplied with ducks, chickens and venison. Messrs. O. Witt and W. Gould have also brought in their venison supply and are now enjoying a rare treat.

Powerful Effect of Pure Saccharin.
 Saccharin should never be taken in a pure state. Some idea of its power will be conveyed when it is understood that one part of it will give a very sweet taste to 10,000 parts of water. Tasted in too large a quantity it acts upon the nerves in such a way as to paralyze the sense of taste, just as powerful music stuns or deadens the auditory nerves or a bright light acts upon the optic nerves.

Heart Failure.
 "Terrible thing happened to Bill in the poker game last night."
 "What was it?"
 "Heart failure."
 "You don't mean it?"
 "Yes; he held four hearts and drew one card; got a spade."

Successful Experiment.
 "Mabel married that scallywag and put young Flatterly to reform him."
 "And is she satisfied with her school?"
 "I should say she is! His uncle died and week and left him half a million."

ADS?

Do you read ads? Some are worth reading. Others, like Burns' books, are "lies from end to end," while some are definite and ring true every time. Which kind do you like?

When we write ads we always feel we should have about a page we have so many good things to tell that are really worth telling. Gregg Shortland for instance. We like it better every day. Students like it parents like it and it's a perfect God-send to employers. Everybody at the

Foster's Weather Forecast

Washington, Nov. 24.—Last bulletin gave forecasts of disturbance to cross continent Nov. 25 to 29, warm wave 21 to 23, cool wave 27 to Dec. 1. Next disturbance will reach Pacific country by close of Dec. 1, great central valleys 2 to 4, eastern states 5. Warm wave will cross west of Rockies about Nov. 30, great central valleys 2 to 4, eastern states 5. Cool wave will cross west of the Rockies country about Dec. 3, great central valleys 4, eastern states 7.

This disturbance is expected to bring a week of immensely bad weather. The best weather usually occurs while the disturbance is approaching from the west and while it is 500 to 1,000 miles away.

Weather events follow each other with a regularity that can be relied on. Sometimes the different features that make up the various changes move faster, sometimes slower, eastward, but any intelligent reader of these bulletins can keep track of the regular succession of weather changes and need never be surprised. It is expected that the changes will come on the exact date pointed out a month in advance, but within 24 hours of the date given. Every reader of my forecasts should have printed rules for observing my forecasts and the weather. These rules are mailed to anyone who will enclose to me at Washington a 5-cent stamp.

I am expecting outrageously bad weather during the first half of December. Those who are expecting the beautiful Indian summer days are doomed to disappointment, for it will be more like the Eskimo hordes.

More than usual interest will attach to this coming bad weather, and those who have failed to put their affairs in shape for the worst will be punished for not having taken my advice. A long spell of cold and changeable weather is coming, with occasional snow or cold rains to make it very disagreeable. Indications are that it will go far southward and be comparatively more severe in the southern states than in the country about and toward Manitoba.

A spell of high temperature and better weather is promised from Dec. 15 to 25, and then another spell of changeable, cold and stormy weather to the end of the month.

Chapped Hands and Chillsblains

ZAM-BUK A CERTAIN CURE

For chapped hands, cold sores, chillsblains, etc., there is nothing so effective as Zam-Buk. Mrs. H. H. Rankin, of Appleton, Ont., says:—

"My hands had big cracks on them which caused me such pain I could hardly work. Whenever I tried to put them near water they would smart and burn as if I had scalded them. They did not seem to be benefited by anything I tried until Zam-Buk was introduced. To my great pleasure within a very short time Zam-Buk closed up the cracks and healed the sore places. My hands are now white and smooth."

"I recommended Zam-Buk to a friend, who had a sore finger, and it cured that, too. I think it a splendid household ointment."

Miss E. Heintzman, of Ossington Avenue, Toronto, says:—"I would advise all who suffer from chillsblains to try Zam-Buk. I have suffered from them acutely, and was suffering when I first tried Zam-Buk. I am pleased to say I had only used about three-quarters of the supply when the chillsblains were completely cured."

Zam-Buk is a cure for cuts, burns, bruises, eczema, ulcers, abscesses, festering sores, bad leg, ringworm, and all skin diseases and injuries. It is purely herbal in composition. All druggists sell at 50c. a box, or post free from the Zam-Buk Co., Toronto, upon receipt of price, 8 boxes for \$2.00.

PRICE PROTECTION

What's to prevent a retail dealer who sells a not-priced shoe
from sizing you up as a well dressed prosperous person and charge
you \$6.50, or \$5.50, or \$4.50 for a \$3.50 shoe? Never thought of
that, did you?

What do you know about the quality or value of a shoe?
Nothing! You can't tell whether a dealer should charge you \$3.50
or \$6.50. Even if you were an expert you couldn't tell, as all shoes
look alike when painted and polished. Paint and polish veneer cover
up a multitude of shoe sins.

There's but one way you can prevent the dealer from over-
charging you. There's but one way for you to know that you're
paying the right price. That way is to buy a Slater in an authorized
and chartered Slater Shoe Store or Agency.

That store is bound by contract to sell genuine Slater Shoes and
to sell them at not one cent higher, nor one cent lower than, \$3.50
and \$4.00, for women and \$4.00 and \$5.00 for men.

Besides, the price is labelled on the lining of each and every
Slater Shoe.

Moreover, our advertisements proclaim from the house tops that
the price of Slater Shoes is \$3.50 and \$4.00 for women and \$4.00
and \$5.00 for men.

You've absolute Price Protection in the Slater Shoe. Costs a
dollar less than the best American makes, and is precisely the same
price. For men and women.

Boils and Pimples

Red Rash, Eczema, in fact any
skin disease, disfigures the com-
plexion, because the bowels are
constipated—or because the
kidneys do not rid the system of
waste—or because the skin itself
is unhealthy.

Onions, salves and soaps are
useless. Because the trouble is
with the blood.

Owing to defective action of bowels,
kidneys or skin, the blood becomes
laden with impurities. It is these impu-
rities—deposited by the blood—that
make boils, pimples, and painful, dan-
gerous skin diseases. It is because
the trouble is with the bowels, kidneys
or skin, that FRUIT-A-TIVES cure
these diseases.

Fruit-A-Tives

act directly on the eliminating organs—
correct their irregularity—strengthen
them—thus clear the blood and make
the complexion clear and soft.

If you have any skin trouble—or any
fault with constipation, liver trouble,
biliousness, headaches, indigestion,
rheumatism—cure yourself with Fruit-
atives. They are made of fruit juices
and tonics—and never fail to cure.

Ghastly Find at Medicine Hat

Medicine Hat, Alta., Nov. 24.—A
ghastly find was made last night by a
farmer taking a short cut home from
Furnell's backyard just outside the
city limits. He was walking along
the bed of Ross Creek towards the
main trail leading into the Hat when
he found the remains of a man frozen
in the ice to such an extent that only
one shoulder and a portion of one leg
was exposed to view. On the police
being summoned a solid oak ice contain-
ing the remains was cut out and
then carefully removed from the
body, which was identified as that of
Thomas Armstrong, foreman of the
Dunmore Junction C. P. R. construction
gang.

It is thought that Mr.
Armstrong, who was in town on
Saturday, got lost in the storm and
missed the trail sufficiently to fall
over the bank at the foot of which
he was found. He was probably
rendered unconscious by the fall, as
he broke through half an inch of ice
when he came in contact with it.

During the week the cold was so
intense that the ice to a depth
of almost a foot and left only a small
portion of the body exposed. The
train men took charge of the remains
which will be forwarded to relatives
in Woodville, Ont.

Pigeon Lake

Pigeon Lake is now frozen solid.
There are many more fishermen
preparing for the season than there
were last year.

Mr. H. E. is going to run a
grocery store near Battle Lake,
making the north in the South
Pigeon Lake settlement.

Three lumber men are to put up in
the same neighborhood this winter.

From Edmonton to Dawson

Ottawa, Nov. 21.—The Northwest
Mount of Police expect to complete
next autumn a trail being out from
Edmonton northward, overland to
the Yukon, means of which pros-
pectors will be able to ascertain the
country en route, not only well
known. For a considerable dis-
tance they are utilizing the road that
follows the government telegraph line
to Dawson. The British Columbia
government has promised to maintain
the portion through that province.

Pleasant Prairie
 The pleasant weather and good building is very agreeable, especially to the lumber handlers. We imagine the building was never better than at the present time, judging by the lumber loads, small teams hauling about 5,000 ft. and larger ones 8,500 to 10,000 feet.
 The trustees held their special meeting at the home of Mr. Wm. Reavitz, the secretary-treasurer, who was not able to get out on account of ill health. The ratifiers will be pleased to learn that their taxes have been reduced, but if the necessary improvements were made on the school grounds, a new well dug, etc., they might sing a new song.
 W. H. Black is among the lumber haulers from Mr. Rowley's saw mill. He is hauling some of his oats and other grain to supply the logging camps.

Wind Spasms and Sick Headache
BILEANS A CERTAIN CURE

It is not the food you swallow which does you good. It is the food you digest. When the digestive apparatus becomes deranged only part of your food is digested, the rest simply decomposes. This causes gas which inflates the stomach, causing belching, pain and sometimes (by pressing upon the heart) palpitation. The food gas on generated fills the blood with poisons and is carried to the brain. Headache, nausea, dizziness, and sometimes blurred vision results.
 Now Bileans correct all these evils. They stimulate the gastric flow, and the stomach is thus enabled to digest all the food taken. They gently open the bowels so that accumulated impurities are expelled. They purify the blood, freeing it of poisons, etc.
 Mr. H. A. Shanley, Patoka, Ont., says: "I suffered severely from sick headache and dizziness, and had a constant mist before my eyes. A friend advised me to try Bileans, and a short course made me feel like a new being. I shall always keep Bileans handy, for they are a splendid household medicine."
 Mr. B. Haines, of Shortree, B. C., says: "Bileans cured my wife of sick

headache when other remedies had failed."
 Bileans are purely vegetable, and entirely superior to other medicines containing mercury, blameth and other mineral poisons. They also cure liver and kidney troubles, constipation, piles, anemia, debility, rheumatism, female ailments and irregularities, blood impurities. They tone up the system and enable it to throw off colds, chills, etc. All druggists sell at 50c a box, or post paid from Bileans Co., Toronto, for price. Six boxes \$2.50.

Library Voting Contest

Elsewhere in this issue of The Times will be found an advertisement of a novel voting contest which has been started in Wetaskiwin by Mr. J. H. Dexter, of Kansas City. He has put up a valuable library of 100 volumes of some of the world's best authors including Scott, Dickens, Elliott, Hawthorne, Kinglevy, Oliver Wendell Holmes and others. With the books comes a handsome quartered oak book case, with glass front. Library and case are now on exhibition in Barrett & Maher's window. Any lodge, school, church, society or individual who observes the following rules and secures the greatest number of votes will receive the library.

Coupons securing votes can be had from any of the firms named in the library advertisement in this issue. Every ten cent purchase gives the purchaser a vote. The contest is open to any person who trades in Wetaskiwin. Votes will be placed in the ballot box at the Red Cross drug store, which box will be opened every Thursday and the progress of the contest announced in each issue of The Times until the end of the contest on May 1st, 1907.

These contests have been operated in many other western towns and have excited great interest. The keenest rivalry for possession of the library is created among the friends of different schools, societies and other organizations, and doubtless similar interest will be aroused in Wetaskiwin. The manager of this paper has gone carefully into the details of the of the scheme and believe that it is absolutely honorable and fair in every particular.

More than one best?

When you ask your grocer to send you the best flour, he sends you—his best. When you know the best flour and order by the name, the choice is not left to the grocer. Many grocers handle

Royal Household Flour

as their leader. They have found it the safest flour to recommend because its results are sure and its purity is unquestioned. If your grocer's best is not Royal Household, insist on his getting it for you. The benefit will be mutual.
